public a statement answering the charge of Comptroller Williams that they had quest by the board of directors, "Your fice; that they had loaned more than \$1,000,000 to women on highly speculative preciated," and making no securities; that the officers themselves had borrowed money on wildcat securities, and that dummy loans had been

The reply of the Riggs Bank is fully as severe upon the Comptroller of the bank is loaning more than \$1,000,000 Currency as the remarkable complaint to women, and adds that much of it which it filed in the District Supreme is on highly speculative stocks. The is on highly speculative stocks. The truth is that the \$1,000,000 loaned to

ment charge Comptroller Williams will say that notwithstanding the fact with having included in his statement that for nine months the Comptroller a falsehood for the purpose of creating the impression that the Depart-ment of Justice regarded his charges action, and although he has in more as warranting legal action against the than one communication referred officers. The bank officers emphati-these loans to women, he has ven-cally deny the Comptroller's state-tured to criticise but one loan of that ments in regard to the making of class, and that the bank promptly reloans on highly speculative securities duced on its books by charging off without proper collateral. They accuse a portion of it, although the Comp-The case comes up before Judge Sid- Mr. Williams of malicious misreprechants, when, in another to band concerts, a personal advertisement for every individual participating in the outing will be passed around.

Members of the committee are: R. P. Andrews chairman, F. V. Killiam, Lehr.

The case comes up before Judge Sid-day. All: Williams of malicious misrepresentation, especially in his efforts to create the impression that officers of the bank have been borrowing money from it on "wildcat stocks." They from it on "wildcat stocks." They point out that Comptroller Williams in curities, omitting entirely stocks of a standard character.

Bitterness from Fight.

In this connection the officers of the bank make the following interesting "If the Comptroller had tion peculiar to the city of Washingbeen pursuing his investigations into the character of collateral along other lines than those to which loans by discovered in the collateral to a particular loan, otherwise well and adequately secured, \$5,000 Georgia and Florida Railroad Company bonds of little or no market value, of which road he was formerly the president. and which bonds he was instrumental n marketing."

seldom request a loan without tender fight in the opinion of official ing ample collateral, and this bank Vashington is bound to breed intense is not only glad to accommodate them bitterness and to spread out rapidly beyond the mere relations of the Treasury with the Riggs bank. losses on loans to women have been negligible

The beginning of the fight at this time is particularly depressing to the Presi-dent's friends who have been supporting effort to mislead the public can be found in his statement that the stock brokerage business which certain of the him in his desire for a rest from agitation against the banking and business officers of the bank formerly conducted in their individual capacities has tempted young men and women to ruin in specu-lation. The comptroller knows, or at

interests of the country.

Most of the transactions which Comp-Williams criticizes occurred before he entered office and many of them least ought to know, that such a charge were passed on by bank examiners unprevious administrations. The Comptroller, however, has insisted on bare and digging into the record the bank for the last eighteen years

rever since its organization. regarding "the policy and methods" of this bank are strikingly illustrated by his a to regard the present fight as none of quotation, from his letter of July 22, he President's making. As a matter of 1914, of his comments on a loan to a the President's making. As a matter of likely to result in embarrass- Washington business man, and his omisments for him. The statement given out last night by the Riggs National Bank follows: Comptroller's remarkable state

ment, handed to the press last night, with a falsehod, according to the assertion made by the Attorney General was neither tempted nor persuaded by today, and reported in the afternoon paview to creating the impers. With a view to creating the im- in question. On the contrary, he was ad-Department of Justice as well, and for which he alone is responsible Mr. Williams said in his statement: r. Williams said in his statement:
"The recent investigations of the Riggs are endeavoring to make the propriety of the husiness conducted in the manner and unlawful practices on the part of stated in this correspondence by the ofcertain officers of sufficient importance ficers of this bank depend upon the re-to merit their reference to the Depart- sult of an investment voluntarily made ment of Justice, and that department en- by a customer of the bank. This cri-

SMAID LONGO TEATES noon today that Mr. Brandeis had not Mr. —'s case not as an illustration been engaged by the Department of Justice. He said he had no objection to retaining Mr. Brandeis if it was desired by the Treasury officials, but that the Mr. Comptroller's statement to the public statement that he had been engaged by the department was incorrect. Mr. Comptroller's statement to the public Gregory added that he had understood that the Treasury officials had been conier. In order to create a general suspisulting Mr. Brandeig, but that his departion that the officers of the bank have ment had had nothing to do with that. In the Comptroller's next paragraph that on speculative collateral, Mr. Williams the selects one loan made to Henry H. characterizes as "temerity" course of the bank in appealing to a court of justice for protection against this unlawful exercise of his authority, which is typical of the entire personal and official attitude of Mr. Williams.

Solvent Despite Comptroller.

Solvent Despite Comptroller. The Comptroller declares that the bank is solvent, but no one can read the balance of his statement without knowing that he would never have made that admission except for the made that admission except for the fart that the bank is so absolutely solvent that the ingenuity of malice could not suggest otherwise. But he comptroller omits to state that this sails and the comptroller omits to state that this could not suggest otherwise. But he comptoned to take credit for this satis-loan was also secured by other con-factory condition of the bank, and for lateral as follows: 76 shares American Telephone and Telegraph stock: 139 saying that if the methods and practices complained of had been permitted to continue, the results would have tices complained of had been permitted to continue, the results would have company stock: 185 shares Washingbeen serious. All this he says in face ton Railway and Electric Company preferred stock.
